Subcommittees:

HAZMAT RESPONSE TEAM (HMRT) UPDATE

RECENT INCIDENTS

BC Dave Sellers reported on one incident in the Centreville area of a gas leak from an 8" pipe. Pipe was fragile due to age, and leak was caused by underground rocks. Washington Gas discovered leak and it was secured and mitigated in four days.

BC Sellers reported that the Fairfax Co. Fire & Rescue Dept. has completed its conversion of all apparatus to environmentally friendly, green foam.

HMRT TRAINING

Fairfax County FRD will be attending radiation training with Fort Belvoir in January 2022.

FJLEPC COORDINATOR UPDATE

Tier II Manager Update & HMERP

Trice Burgess reported:

422	active facilities
160	critical hazard facilities
573	total facilities in system

EPA continues to work with one remaining facility to bring it into compliance. The FJLEPC webpage is up to date.

Old Business: None.

New Business:

Trice Burgess reported the current webmaster for the FJLEPC webpage is ceasing business operations in February 2022, and a new web host/webmaster provider will need to be secured. He is researching private providers, such as "Go Daddy", for options. Trice asked for a motion to be called authorizing him to secure a new provider. Johna Gagnon made the motion, with second by Lynn Green. Motion carried.

Roundtable/Member Updates

Chairman Jolley called for roundtable/member updates.

ADJOURNMENT OF MEETING:

Chairman Jolley called for a motion to adjourn the meeting; Johna Gagnon made a motion to adjourn, with second by Lynn Green. Motion carried. Meeting was adjourned at 10:30 a.m.
